

Most Innovative Project Competition

This competition is about to see how Innovative and Creative You are as volunteers.

If you have any brand NEW and FRESH idea, which can be entertaining, educational, fun bringing, tradition creating etc., of how to bring an added value to your placement, you will be enjoying this competition.

Please describe and demonstrate it to us how your Innovative Project was implemented by considering the following questions:

Which new innovation/ project/ action/ idea/ event/ creation you have introduced to your placement? What is the background story of your project? Who was involved in? Who benefited of your new Innovation and how? How was your new idea carried out?

To get a proof of your Innovated Project, do not forget to get it signed by the representatives of your placement.

We accept One project per Placement OR one Project per Person!

The Most Innovative Projects need to be send to EDYN Office Postal Address: Budapest 1440, Pf.: 8., by 30 June 2010

The best three will be rewarded with very special gifts
